

TOWN OF EMMITSBURG, MD
PHASE I – STORM WATER UTILITY FEASIBILITY STUDY

ADDENDUM NO. 1

DATE: July 8, 2021

This Addendum shall be incorporated into and form a part of the Contract Documents. It shall modify the original Bidding Documents dated July 1, 2021. All bids shall be based on this Addendum in accordance with the bidding documents. Bidders must acknowledge receipt of this Addendum in the bid package. Failure to do so may subject Bidder to disqualification.

This Addendum consists of one (1) page.

1. The Town expects that the storm water system improvement plan will be completed by a professional with experience in preparing storm water system improvement plans in the past that have been developed to meet water quality requirements in NPDES permits. The professional does not have to be an engineer.

2. Hand delivery of the sealed proposal are permitted; however, they must be placed in the black drop box located behind 300A South Seton Avenue, Emmitsburg, MD 21727 if the Town office remains closed due to COVID-19 safety protocols. It is recommended that the consultant call into the Town office at 301-600-6300 near the bid due date in order to determine if the office is open to the public.

END OF ADDENDUM NO. 1

Acknowledgment of Addendum No. 1, which is to be included in submitted bid package.
