I. SCOPE OF WORK

The Mayor and Commissioners of Emmitsburg, Maryland are requesting sealed bids from a qualified Owner’s Project Manager (OPM) to provide project management services in the site preparation/assembly/installation of one (1) modular restroom/concession stand building. The proposed pre-fabricated building has not been ordered but will be approximately 20’ x 24’ in size and will feature two multiuser restrooms in half of the building and a concession stand in the other half of the building. The restroom/concession stand building will be located in E. Eugene Myers Community Park at 201 West Lincon Avenue, Emmitsburg MD 21727. Sealed proposals are due by 4:00 p.m. on Friday, July 21, 2023. Please see “Submittal Requirements” on how to submit your bid.

A non-mandatory pre-bid meeting will be held at the project site at 10:00 a.m. on Monday, June 26, 2023. See attached map for project location in E. Eugene Myers Community Park.

The OPM will be responsible for the following:

Phase 1: Pre-Construction Phase

Procurement

- Modular Building Selection/Bidding
 - The Town will advertise a request for proposal (RFP) for the purchase of a modular building. OPM will review the RFP and make recommendations for changes.
 - Attend bid opening meeting. Date to be determined.
 - Assist the Town in the selection of a winning bidder and ordering of building.
 - *Note:* Modular building fabrication can take 6+ months after bid selection.

Phase 2 – Construction Phase

Permitting

- **The project will need a Grading Permit, Building Permit and Electrical Permit. The OPM will be responsible for obtaining these permits.**

Site Preparation

- Coordination of Water and Sewer Hookup
 - Coordination of the connection of the Town’s public water and sewer system to the pre-fab building. The Town has chosen KelCo Plumbing & Backhoe Service LLC and will pay all invoices to KelCo Plumbing for the work.
 - OPM will ensure connections align with tie in location for pre-fab building.

- Coordination of Stabilized Construction Entrance and Compacted Base for Building
 - Assist Town in hiring of a construction company to build the stabilized construction entrance and compacted base/site pad for building to engineer requirements. See Fox & Assoc. Inc. Site Plan document.
 - The Town will directly pay contractor for the work.
- Coordination of Sidewalk Installation
 - Assist Town in hiring of a contractor to construct sidewalks around exterior of building to engineer specifications. See Fox & Assoc. Inc. Site Plan document.
 - The Town will directly pay contractor for the work.

Building Delivery

- Advise the Town in hiring of a crane company to transfer building from shipping vehicle to site pad.
- Coordinate modular building delivery and installation of the modular building on the compacted base/site pad.
- OPM must be onsite on the day of modular building delivery and installation.

Project Meetings

- Attend up to three (3) scheduled meetings to include a pre-construction meeting and a final walk through meeting.
- In addition to regular communication with town staff throughout the duration of the project, the OPM is expected to coordinate construction activities with the chosen contractors as appropriate and required and attend all necessary meetings with the chosen contractors.

Construction Quality Control

- Coordinate provided testing services, review ongoing construction means and methods and quality, and facilitate the resolution of construction questions and issues.
- Advise on an ongoing basis of all project developments, including conditions and circumstances that may cause delay in the project schedule, increase costs, or otherwise may be inconsistent with the Town's expectations.

Punch list and Project Closeout

- Assist the Town in the preparation of final project punch lists and facilitate their timely completion.
- Ensure all building commissioning and turnover is complete.
- Review all warranty documentation, as-built documents and operations and maintenance manuals to ensure compliance with project specifications.
- Ensure that the project delivers documentation that all work has been successfully tested and has been built according to the contract documents.

Questions? Please submit your question in writing to Madeline Shaw, Grants Administrator, at Mshaw@emmitsburgmd.gov. All questions and corresponding answers will be posted in writing on the Town's website for bidder reference.
